Dear Member of State Parliament

Re: Proposed Privately Funded Motorsport Complex in Adelaide

As you are my local Member of Parliament, I am writing to ask for your support and opinion on the proposed privately funded Motorsport facility for Adelaide.

It would appear from Media reports that there are Developers who have the required funding to commit to such a project, but they require the State Government through its Land Management Corporation, to make available a suitable parcel of land which is close to the CBD of Adelaide, by way of a Sale or Lease, to enable the construction of the Motorsport Complex.

You may, or may not be aware of the many thousands of passionate motorsport enthusiasts in this State, let alone Interstate & Overseas, just through the large attendances at the Clipsal 500 alone. But this is only a once a year event and caters for the upper ranks of professional circuit racers, with no provision in this State for such events as ANDRA Championship Drag Racing and many other entry level facilitating motorpsorts.

Given that many of these motorsport enthusiasts are South Australian taxpayers, it is extremely biased to see taxes diverted to other sporting codes, such as Australian Rules Football, Soccer etc, with NONE being directed to the dedicated spectators and competitors of Motorsport.

Support from you would no doubt be well received by the General Public, not to mention the numerous small and large businesses that are allied to Motorsport, such as mechanical workshops, high performance auto retailers, tourism & hospitality operators, just to name a few.

Currently I understand that the Federal member for Port Adelaide, The Hon Mark Butler has 30,000 signatures in the affirmative, thanking him for his help to date for supporting the concept of a dedicated Motorsport Park.

In conclusion, could I ask whether or not you support the construction of a PRIVATELY FUNDED Motorsport Park in Adelaide? Yes of No

If yes, then would it be possible for you to arrange to have these signatures, in The Hon Mark Butler's possession, to be tabled in State Parliament?

Would you be kind enough to please respond in writing within 7 days to my 2 questions, together with a brief comment from yourself about why you would, or would not support this positive venture for South Australia?

Thankyou for your consideration in this matter

Yours Faithfully
